U16's Triumph

Jarrold Dalton pumped-up most of the boys from U14C last season to go back-to-back, and during March the U16B's delivered. The introduction of Dean Kelly into the attack proving decisive. Unfortunately the U12's fell just short, whilst the 3rd and 4th XI were both bundled out in the semi-finals after minor batting collapses.

As the ladders contained within demonstrate, it's been quite an indifferent season. For only the second time in the club's history, no one qualified for the batting averages in the 1st XI. But there's talent and young legs about, and the newly elected committee will be looking to take the positives and move forward.

Individual highlights of this edition must start with Michael Jennison who notched 9000 runs during Rd 11 before rain intervened. This amounts to hours of concentration, toil and mastery at the crease from a fine stalwart of the club.

It was a long spell, but well done to Shanaka Caldera, who equipped himself well at the club despite work commitments, and finished with over 30 wickets in A1. Finally, congratulations to Andy Fry (104* Rd 9, C2) and Michael Cripps (Hat-Trick Rd 11, A3).

The "Only at Mully" File

Seems the streak of Mr M. Cripps was able to come to an end during the replayed one-dayer in A3. He topped the season off with a hat-trick, rubbing it in the face of N. Carrick, who surely set some form of record being on a hat-trick 3 consecutive innings, but unable to pull one out of the hat.

Overs vs. Unders

Overs won by 5 runs, thanks largely to getting off to a flyer with the bat. Man-of-the-match contenders included T. Balaam, B. Carson and M. Cripps.

Tennis Update

Very much an interrupted season with washouts and byes, but the lads are perched nicely in 3rd half-way through the season.
